DRAFT SWRCB WQCP Phase I SED EPA comment letter_03 22 13.doc

Hi Diane, Mark, and Rich

I wanted to share EPA's letter with you before we finalized it and sent it along officially. I appreciate the help you gave me in hunting for things in the appendices. I hope the last two days of hearings weren't too rough on you guys. It was nice to hear the Board members defend your work on various occasions.

If you have any feedback or suggestions try to let me know by Tuesday morning. We are likely going to send it in on Tuesday afternoon since Tim Vendlinski, who is signing it, will be out of the office starting on Wednesday.

Have a good weekend,

--Valentina
